

Are you ready to explore your opportunities to play sports in college?

NAIA — National Association of Intercollegiate Athletics — the student-centric, character-driven intercollegiate athletics association.

NAIA colleges and universities provide 65,000 student-athletes with opportunities to play college sports, earn \$500 million in scholarships and compete in 25 national championships. The NAIA is about you pursuing your passion for athletics as part of your overall college education experience.

What can you do to PlayNAIA?
